

INDEX MEDICUS HOMŒOPATHICUS CUMULATIVUS

DR. JAMES STEPHENSON, M.D.

The abbreviations used for Homœopathic medical journals vary from one country to another. Since uniform terms usually improve the efficiency of scientific communication, the following abbreviations have been selected and are advanced for general usage. The most recognized international authorities have been consulted. The origin of each abbreviation is indicated by a suitable reference key, as follows:

- From the World Medical Periodicals (W.M.), World List of Scientific Periodicals (W.L.), Index Medicus (I.M.), or if not included in these authoritative sources, coined according to their specifications (J.S.):
- Act. Soc. Rhod. homéop. (J.S.) Actes de la Société Rhodanienne D'Homéopathie.
- All. homöop. Ztg. (W.L.) Allgemeine Homeopathische Zeitung.
- An. Inst. mex. Invest. homeop. (J.S.) Anales Del Instituto Mexicano De Investigaciones Homeopaticas.
- Ann. homéop. franc. (I.M.) Les Annales Homéopathiques Françaises.
