

**HOMOEOPATHY**

the latest and refined method of treating  
fully and non-violently. Government must  
prioritize it in our country.  
Success will never fail. Homoeopathy  
is a faulty application of

Hahnemann was a man  
of actual nerve  
and vast saving  
of labour before  
herculean  
labour

Homoeopathy did not merely  
treat a disease as a sign of  
organism. This was also recog  
nized thought which spoke of human  
body, mind and spirit  
important p  
country
