

NATRUM FLUORIATICUM

DR. JAMES STEPHENSON, M.D., NEW YORK

Material

"We used the 6x potency in tablet form (since sodium fluoride is used in water in the proportion of 1 to 1 million.) . . . on 21 provers."—*Gutman*—page 8.

Method

The original proving records of Gutman were consulted, and those symptoms appearing in two or more of the 21 provers were selected. Symptoms reported by 4 or more of the provers are in capitals. The schema follows that of Kent's *Repertory*.

Schema

Stomach, PAIN

pain, aching
colicky

Rectum, constipation
diarrhoea

Chest, eruption, axilla, left
itching, axilla, left

Extremities eruptions, legs

PAIN

Pain, shoulder

Skin, discoloration, red

Eruptions, left sided

ITCHING

RASH

Generals, pain, aching, muscles

Generals, TWITCHING.
