

HOMŒOPATHIC NEWS

PURULIA DIST. HOMŒOPATHIC MEDICAL ASSN.

Purulia District Homœopathic Medical Association resolved to organise and hold State Conference at Purulia with a view to unite the different wings of Homœopathic practitioners of the State and to formulate ways and means for the development of the Homœopathic Science and to uplift the status and conditions of the Homœopathic practitioners.

In continuation of the said programme, a bigger State Conference Committee is going to be formed with members from different districts and institutions by the 15th August, 1961. This Conference Committee will finally prepare the programmes for the Conference.

Those who are sincerely interested for the development of Homœopathic Science are hereby requested to enlist themselves as members and to contact or correspond with Dr. Mukti Pada Chakraborty, Secretary, Purulia State Conference Committee, Purulia.

HAHNEMANN BIRTH DAY AT EAST PAK. HOMŒO. COLLEGE

A meeting was held on 10th April at East Pakistan Homœopathic College, Feringhee Bazar Road, Chittagong at 7 p.m. on the occasion of the 206th Birth Day celebration of Dr. Samuel Hahnemann the founder of Homœopathic Science of healing. Mr. Jagat Bandhu Sen, M.A., B.L., took the chair. Dr. Zakir Husain Chowdhury, Principal of the College, Dr. S. C. Barua, Dr. Shawkat Ali and others spoke on the life of Dr. Hahnemann and the immense contribution the science of Homœopathy has made towards humanity as a curative system. The meeting requested the Government to recognise this system as it is an infallible cure for all, especially for the poorer people with the least of expenses. The meeting dispersed on the concluding speech of the president.
